

South Buffalo Dance Academy 2023 Rehearsal and Recital Information

Studio Rehearsals

Studio Rehearsals and the Fast Run-thru are held at South Buffalo Dance Academy – 2264 South Park Ave. This is a simple run through of the Part 1 and Part 2 lineups for dancers to prepare for performing and to know the sequence of the Recital.

NO COSTUMES ARE TO BE WORN AT STUDIO REHEARSALS. Regular dance class attire is required.

Please arrive on time. The schedule is adhered to as much as possible. We don't want your dancer to miss their routine(s).

One chaperone is allowed per young dancer, if needed. We prefer older dancers to be dropped off and picked up when finished.

Have your dancer bring a few dollars as there will be pizza, snacks, candy, drinks and water for sale in Studio 3.

Monday, June 12th Part 1 Dress Rehearsals at Kleinhans Music Hall Wednesday, June 14th Part 2

On dress rehearsal days, dancers and one chaperone per dancer are the only people allowed at Dress Rehearsal.

All parents and guardians: please keep your dancer(s) near you and within sight. The children you bring must be supervised at all times to minimize incidents of children getting into trouble, getting hurt and/or damaging the building and/or contents of Kleinhans. To help us prevent injury, please stop children from running. Running is not allowed in the auditorium aisles, foyer, halls or stairways and is dangerous outside the building as well. Please report any incidents you may witness or hear of to our faculty or staff as soon as possible. Since 2020, the basement tunnels are not to be used. We are obligated to remind you that food is not allowed in the auditorium. Please remove any and all wrappers, drinks or food items from the auditorium. Finally, dancers are not allowed to bring friends or other distractions to dress or studio rehearsals. Our teachers and staff are working very hard with our dancers during rehearsals and need to focus their attention without incident to that end. Thank you for your cooperation.

- Young dancers should be dressed in costume and ready to perform when dropped off. All other dancers should be dressed in their first routines costume with their hair/makeup completed as well.
- Only dancers are allowed backstage. We have plenty of volunteers and staff members to assist the dancers during the show. Everyone else, including parents, guardians and audience must enter the barrier free main entrance with a ticket. For younger dancers that we believe will need assistance with costume changes during the show, we will be contacting you privately (not until after dress rehearsals) to discuss how it will be handled and if we need your assistance backstage. If you are not contacted and are concerned about your dancers' changes, please let us know.
